Welcome to the New Woodburners Catalog

**Pyrography** means “writing with fire”. It is the art of decorating wood, leather, paper or gourds with burn marks, also called woodburning.

Whether you are a hobbyist, beginner or professional you will find a complete selection of tools, books, videos and supplies devoted to the art of wood burning. Woodcarvers, woodturners, gourd artists and pyrographers will find patterns and instruction books, woodburning systems, tips, cords, handpieces and accessories from the highest rated American woodburning manufacturers.

New items appear first on our woodburning website [woodburnerscatalog.com](http://woodburnerscatalog.com). Sign up to get our monthly email update with new items, sale items and more!

---

**The Gourd by Nibsburner**

If you are a gourd artist burning the fine details, broad strokes or texturing, this is the pyrography system for you. The Gourd Unit delivers plenty of power at **58 watts**, rapid heat recovery, no fluctuation, and heat continuity at the woodburning tip, delivering a solid color burn line with consistent color. Nibsburner Gourd Unit pyrography systems supplies the tools you need to help you become a great pyrographer. Excellent for gourds, leather and all types of wood craft including carvings, canes and plaques. The Gourd Unit system comes with **two fixed tip handpieces**, one small knife (KN3) permanently fixed tip handpiece and one spoon shading (SP1) permanently fixed tip handpiece. **Made in USA**, 2 year warranty unit, 90 days pens.

**#1999 The Gourd** $132.95
